

Audition Materials – Winnie Tate

Part 1

Dolly, why do you always have to treat Tommy like a bellboy? Tommy's a very important part of this show, and I happen to be his assistant, the same as you and Frank Butler.

Tommy's half Indian, sis. But you always talk to him like he's some kind of uncivilized heathen. Please stop, Sis!

Part 2

Tommy! Please excuse me – it's an old husband of mine. Oh Tommy, Tommy, I'm so glad to see you. I turned eighteen last week. YOU can kiss me anywhere you want. Hey, people are watching, maybe we'd better dance. My sister? Still my sister. But now that you're terribly rich maybe she's ready to reconsider. We heard you were the toast of Europe.

Will all that success, I'm sure you forgot all about your annulled wife. How do you know I didn't forget? All you've got to do is ask, Tommy.
