

## Audition Materials – Charlie Davenport

### Part 1

All right, everyone – time to get ready for the show! Move it! You thinkin' of joining up with Pawnee Bill, Chief? On your way to Washington? They sure gave you a bad shuffle with that piece of land, didn't they? Can't even farm it, can you?

### Part 3

Dolly, what the hell are you doin' in here? What did you do to Annie's gun? Spit it out, Dolly – what're you up to? You would trying to remove something in your eye? With a pair of pliers? Tell the truth for a change, Dolly. Dolly, you better tell the Chief what you're up to or he has ways to make you talk.
