

Audition Materials – Tommy Keeler

Part 1

Winnie! Winnie! Winnie!

Do you think I could get arrested for kissing a minor in public?
Kiss you anywhere I want? Now that's something I could get
arrested for!

How's your sister? We heard you were the toast of Europe.
Forget about my annulled wife? I certainly di not! But what
about you? With all these sharp, New York Slickers circling
around, how do I know you didn't forget?

Part 2

Would it be all right if I set down these bags, Miz Tate? They
have your beauty aids in there? No wonder they are so heavy!
No Winnie, I don't mind that your sister treats me like a bell
boy, honest.
