**Book and Lyrics by
Alan Jay Lerner**

**Music by
Frederick Loewe**

Experience the Magic, the Myth, and the Music of the Scottish Highlands in Lerner and Loewe's musical triumph. The plot follows two American travelers to the Scottish Highlands where they stumble upon the erstwhile village of Brigadoon. While the village prepares for a wedding celebration later that day, the travelers come to realize that the village is enchanted to appear for only one day every 100 years and will disappear forever should anyone attempt to leave. As in all fabled tales, love works the greatest magic of all.

Hear the hauntingly beautiful melodies of "Waitin' For My Dearie", "The Heather On the Hill", "Come To Me, Bend To Me" and "Almost Like Being In Love." Featuring authentic Highlands costumes and Scottish country dancing, this timeless classic is sure to leave you spellbound.
