

ALDOLPHO

La la la la la.

MAN

Look who it is! It's Aldolpho come to seduce the bride.

ALDOLPHO

I am Aldolpho!

MAN

Try not to think of the poodles while you're listening to this part.

ALDOLPHO

I am Aldolpho. And you are bride.

DROWSY

No, I am not.

ALDOLPHO

Whaaat? This is bridal suite, you are the only one here. Therefore you must be bride.

DROWSY

Interesting argument, but I'm afraid you are a moron.

ALDOLPHO

Whaaat?

DROWSY

Me—no—bride. Perhaps I could take a message.

ALDOLPHO

Yes, very good... Dear Van De Graaff bride, I must make love to you, and transport you to the place of ecstasy, sooner is better, signed Aldolpho, King of Romance.

DROWSY

Well, you saw through my little ruse. You've found me out.

ALDOLPHO

Ahh, so you are the bride.

DROWSY

Apparently, yes. Take me, Aldollface.

ALDOLPHO

No, no, no, not Aldollface—Aldolpho. You must remember my name for when we are making love and you are screaming you must say the right name or it will spoil everything. How can I make you remember?
